RE: General Motors Corporation Case No. 09-50026
Paragon Technologies, Inc. Vendor Master ID #195319611
Pre-Arbitration Procedure Section 6 (a)

Paragon Technologies, Inc. "Paragon" agreed to take part in the Cure Dispute Resolution Protocol ("CDRP"), with the understanding that the resolution of the amount of our cure dispute would be governed by the CDRP. I have had discussions with A'Jene Maxwell from Honigman, Miller, Schwartz and Cohn, LLP, and I was under the impression that GM personnel would be in contact with me. To date, I have not heard from any GM personnel with respect to resolving our Disputed Cure Claim.

Therefore, I am requesting that the Initial Meeting as contemplated by the CDRP take place on or before June 30, 2009 and/or be extended as allowed for under Section 6 (a) of the CDRP. I request a written acknowledgment approving this extension request if a meeting and resolution cannot be facilitated by June 30, 2009.

If you have any questions or need any further information, please let me know. I can be reached at 586-756-9100, Ext. 1128.

Regards,

Jerry Fowler
Controller
